Review: Book is divided into three sections. Section I discusses organiza-  
tion of labor unions as voluntary associations which are guided by  
the principles of democratic centralism. Section II discusses the  
rights and duties of labor unions to participate in management com-  
mittees, in labor-capital consultative conferences and in establish-  
ing collective agreements; and the duty of labor unions to support  
the government, produce efficiently, protect property, and provide  
mutual benefits to labor and capital. Section III discusses the es-  
tablishment of primary party organizations in unions; cadres; union  
fees; and union finances.
